## University Information

---

- **Our university is a foundation university founded in 2001 under the leadership of the Istanbul Chamber of Commerce. Over the past 23 years, our university has aimed at continuous academic development with its distinguished academic staff and students.**
- **Our university has a strong academic staff. Many of them are actively involved in real sectors related to their fields. They are pioneers in their fields.**
- **Our university has two campuses. One of them is located on the Anatolian side and the other is on the European side. Both of them are located in the most central points of Istanbul.**
- **Our university has 25 undergraduate programs under 6 faculties and 72 graduate programs under 6 institutes. We also have 2 associate degree programs within the vocational school. While 7 of the undergraduate programs provide education entirely in English, 3 of them provide education with 30% English support. 12 of our graduate programs are taught entirely in English.**

### Career

- **One of the advantages of being a university founded by the Istanbul Chamber of Commerce is that we are a university close to the business world. In this way, our active and graduate students gain a significant advantage in accessing internship and job opportunities.**
- **We publish new internship and employment announcements every month on our Career Portal, which can be accessed from the website. We publish approximately 1000-1500 internship and job postings annually. We cooperate with over 1000 companies in publishing internship and employment advertisements.**

### Social Activities

- **Many activities are organized at our university for international students to socialize and integrate into the local culture. Thanks to the cultural day activities of the international students club and the social organizations organized by our University, international students are able to integrate with each other and with the local culture as soon as possible.**

### Dormitories

- **There are 19 dormitory businesses in communication with our university. The majority of dormitories are close to our campuses. Dormitories have room options for 1, 2, 3, 4, 5 and 6 people. Unlimited wired and wireless internet service is provided in all dormitories, and there are also gyms and canteens.**
